Objective

Creative and highly detail-oriented graphic designer with 10+ years of professional experience in print, digital, and marketing. Skills in Adobe Creative Suite, marketing ad platforms, illustration, photography, apparel manufacturing, Web/CMS, e-commerce and audio production. Self-taught in all areas of expertise. Seeking a role within an organization that values personal enrichment and will foster continued professional growth and opportunity. Excited to contribute to a collaborative team of like-minded creatives to deliver impactful designs and visual narratives that align with institutional standards and exceed department expectations.

Work History

Marketing Coordinator, Merchandise Manager - The Midway - San Francisco, CA

October 2021-February 2025

Managed all paid advertising channels. Expanded marketing channels from solely Meta Ads to include Google Ads, TikTok Ads, and more. Copywriting for all ads. Created simultaneously occurring marketing plans and budgets for 120+ events per year, \$20k+ monthly budget management, and executed said plans across applicable channels. Collaborated with the creative director on branding strategy and growth projects, and regularly created static and video graphics to use across marketing touch points. Merchandise management consisted of logistics and coordination with performing artist teams, scheduling, managing retail staff and booth setup, retail sales at events, and designing and producing in-house merchandise.
